Hello Margot,

I'm on the video conference call that was planned for Friday April 30th at 10 AM but no one else is on the call. Was this changed?

Hi Michael,
Follow up to my voicemail. Michael Schulman (copied on this message) is the project manager for the TRW Microwave site and recently received an inquiry from an Apple employee that has questions about the previous work there. Ideally, Apple's EHS team

would also participate. Please give me a call if you would like to discuss further and/or let us know a good time to set up a call with the concerned employee.

Many thanks!
Margot
